- The coach or Team manager shall present laminated player passes to the referee prior to the start of the game. Any player not present at start of game shall present him/herself and their pass to the referee prior to entering the field. No pass=no play.

- Player pass cards are to be returned to the team's manager or coach at the conclusion of the game.
- If a player does not present a laminated player pass to the referee prior to participation, they shall not play in that game.  - 13U-14U: \$60.00 PER TEAM (CENTER=\$52.00, AR1=34.00, AR2=34.00)
 - 15U-19U: \$70.00 PER TEAM (CENTER=\$64.00, AR1=38.00, AR2=38.00)
- The referee's judgment with regards to the physical condition of the field and its acceptability for play, and to the actual happenings and occurrences relating to the conduct of the game, and to those prerogative or judgments inherently granted to the referee by the Laws of The Game as published by FIFA shall not be challenged.
- A team that is not ready to play 15 minutes past the scheduled game time shall forfeit the game. In the event of a forfeited game, the referee must report the incident to the home team assignor who in turn shall notify the VP of Rules and Regulations. The team that forfeits shall be responsible for the full referee fee. The referee shall not ask for the fees from the team present.
- In cases of rainouts or lightning where the referee or the parks and recreation personnel calls the game prior to its start, a courtesy amount of \$5 per team shall be given to each referee.
- A game completed to half-time shall be considered a complete game if the game has to be stopped based on a rainout, lightning, or other unforeseen circumstance. Referees shall be paid the full game fees.
- Schedule changes are allowed during the free schedule change period. Once this period has passed, any schedule change must be mutually agreed upon by both the home and away

teams. These schedule changes are facilitated through GotSoccer. Schedule changes shall be made at least 72 hours in advance.

Note: It is the intent of the PBSL to limit schedule change requests. If the free schedule change period has passed and the teams cannot reach a mutually agreed upon date if a team is asking to reschedule a game, then these requests should be escalated to the Vice President.

- No Referees. The procedure when no referee shows up within 30 minutes of scheduled start time shall be as follows:
 - No official game shall be played.
 - Home team shall be fined.
 - Game must be rescheduled.
 - If game is not rescheduled it shall be recorded as a forfeiture by the home team.
- Single Referee. If at least one referee is present, the procedure will be as follows:
 - The single referee will assume the position of Center Referee
 - The game may be played and will count.
 - The home team shall be fined \$100 for not providing 3 referees.
 - Club linesmen may be used in this case.
- A \$200 fine shall be assessed against the club of any team responsible for a forfeit.
- A \$150 fine shall be assessed to both teams for failure to reschedule a game. Rescheduling must be done within 48 hours of the cancelled game.
- A forfeit is considered a game played, a postponement is not.

Substitutions and In-Game

Procedures during the game shall be as follows:

- Substitutions. Players may be substituted only during stoppage of the game. The number of substitutions shall be unlimited unless a competition superseding PBSL jurisdiction specifically determines otherwise. Substitutions may be made at the following times:
 - Prior to a throw-in in your favor
 - Prior to a goal kick, by either team
 - After an injury, by either team, when the referee has stopped play.
 - For a player who has just received a yellow card, when the referee has stopped play.
 - Between periods.
 - The referee shall be made aware of each time the goalkeeper is changed.
- The referee's permission is necessary, in any situation, before a substitution can be made. A substitute player may not enter the field of play until he/she has been so instructed by the referee.

- No player from any team or club may play 2 games in 1 day within the PBSL seasonal play. The penalty shall be the forfeiture of both games in which the player played.
- Mercy Rule is hereby eliminated. All games shall be played to their normal conclusion time. The reasoning regarding the mercy rule elimination is that teams have driven a long distance and should play the full game. We recommend, as a practice of good sportsmanship, that coaches use a lopsided matchup as a teaching moment for their team and not rack up the score as all games are scored with maximum 3 goal differential. You can also set up skill challenges in this situation such as “x” number of passes prior to shooting, etc.
- In order to give the 9U-10U players an opportunity to develop their passing skills, no punting directly from goalkeeper to goalkeeper will be allowed. Throwing and passing to other players shall be encouraged. Any player guilty of this offense shall have an indirect kick, placed at half field, awarded against him/her.

Coach, Player, and Spectator Requirements

These requirements are as follows:

- Bench area. Coaches and players must remain on the bench or bleachers or within the immediate vicinity of the team's bench (10 yards) while the game is in progress. A maximum of 3 coaches can remain in the bench area. Each coach is required to have a verified coach pass.
- Coaching from the bench area, the purpose of which is to provide direction to one's own team on positioning and points of strategy only, is conditionally permitted. Even this should be kept to a minimum. CODE OF ETHICS WILL BE ENFORCED.
- Mechanical devices. Coaches, players, and spectators may not utilize mechanical devices, such as voice amplifiers, whistles, bells, rattles, noise makers of any kind, etc.
- Unsportsmanlike conduct. Coaches, players, and spectators shall not use profanity, or make insulting or otherwise derogatory remarks or gestures to their own team, the opposing team, the referee, or to other spectators. USE OF PROFANITY WILL INCUR A \$50.00 FINE.
- Enticing ill-behavior. Coaches, players, or spectators shall not, by their remarks or gestures, in any manner, entice disruptive behavior. CODE OF ETHICS WILL BE ENFORCED.
- Punitive action. Coaches and players violating the above rules will be subject to ejection, as well as to further disciplinary action deemed appropriate by the Board of Directors. Any spectators violating the above rules will result in action against the team and club associated with said spectator, including suspension from league play until the spectator problem is solved or board action is taken.

- A coach who receives a RED CARD and therefore ejection or send-off for his/her actions during any PBSL activities throughout the seasonal year shall be fined \$100.00 and given a 2 (two) game suspension + 12 (twelve) month probation from the date of violation.
- If a coach receives a second ejection or send-off for their action during the probationary period, the coach may be subject to immediate suspension from all league activities for a period of one year, pending a disciplinary hearing. The Board of Directors may reduce the severity based upon a hearing.
- Field Marshall. Each club shall appoint a club representative to be present at every home game sanctioned by the PBSL. They shall be responsible for reporting any problems to the Club representative, who will in turn report it to VP of Rules and Regulations (by emailing pbslscheduling@gmail.com). Failure to provide a Field Marshall shall result in a \$25 fine to the club.
- There will be no alcohol or tobacco products used at the game site.
- It is the responsibility of both coaches to keep the parent/spectator conduct under control.

Section 9: Disciplinary Actions, Protests and Appeals

A. Procedures/requirements regarding disciplinary actions are as follows:

- When discipline/sanctions are imposed, they shall meet the required minimums. The disciplinary body shall evaluate the incident as to the intent, severity and past misconduct to determine the appropriate disciplinary action/sanctions. More severe disciplinary action/sanctions shall be imposed for multiple red cards during a season and for misconduct directed towards officials or administrators.
- One game suspension. A one game suspension results from the following: a second caution where misconduct is neither violent or with intent to harm or injure, persistent infringement, or stopping an imminent goal. Verbal abuse in the form of dissent or foul language, non-directed.

 - When a red card has been issued, both coaches shall be responsible for sending the game report to the VP of Rules and Regulations no later than 5 P.M. Tuesday following the game. Failure to report, as noted, will result in a fine of \$100 to each club and a suspension of both coaches for 1 game. (moved this from pre-game).

- Any Coach/Assistant Coach/Manager who sends a player onto the playing field with the intent to play or participate in that or any game, or any youth who is not registered, or is suspended, or is over age or is not a rostered member of the teams playing, and/or does not have a verified player pass, shall be suspended the remainder of the seasonal year plus one year.
 - Any player who enters a game that he/she is not registered to, and/or rostered to either of the teams, shall be suspended for the remainder of the seasonal year.
 - Any Coach/Assistant Coach or player who participates in a game before completion of suspension shall have, at a minimum, the original suspension renewed. Refer to FYSA Rules Section 503 for additional disciplinary actions regarding Ineligible players/coaches.

D. Protest and Appeals. Requirement/procedures are as follows:

- Limitations. Only violations of PBSL’s constitution, by-laws, rules and regulations, or specifically published rules of a competition, or the misapplication of the "Laws of The Game" shall be subject to protest and appeals.
- Purpose. The purpose of this rule is to establish a body of procedures and regulations to be followed in all matters of the PBSL, as administered by the VP of Rules and Regulations. Such matters include:
 - Protest(s) directed to PBSL by members arising from violation of the rules.
 - Appeals directed to the Board of Directors by members arising from rulings issued by the VP of Rules and Regulations and/or the VP of Referees
 - Request for disciplinary action arising generally from, but not limited to, cautions and ejections issued to a player(s) and or coach(es) in a game situation.
- Method. Protests and appeals are to be in writing and are to be sent to each officer of the Board of Directors within the time limitations established (see below).
- Procedures and Regulations. For the purposes of this rule, all organizations will be referred to as:

Federation Internationale de Football Association	FIFA
Florida Youth Soccer Association	FYSA
United States Youth Soccer Association	USYSA
Palm Beach Soccer League	PBSL

All references to rules mean the rules, regulations, and laws, etc. of PBSL, FYSA, USYSA, and FIFA. All references to submissions in writing means that written documents must be transmitted via email to all board members.

E. Protest. Protests must be submitted in writing within 48 hours of the completion of the specific event in which the rule violation allegedly occurred. The following items apply:

- The protest must be submitted and signed by one of the following on behalf of the member claiming the rule violations: the Club President, the Club Representative to PBSL, the Club Alternate Representative to PBSL, or the Agent of Record for the Club.
- A fee of \$25 (refundable if the protest is upheld) must accompany the filing.
- Only rule violations can be protested. Protests must state specifically the rule(s) violated citing the following:
 - Rule source - FIFA, USYSA, FYSA or PBSL.
 - Book or document where the rule can be found including the page number, rule number and subsection (if applicable).

- Protests must completely but briefly state the events and facts supporting the contention that rules were violated.
- Procedure upon receipt. Upon receipt of the protest, the following will take place:
 - The VP of Rules and Regulations will review for completeness and conformity to items noted above.
 - If the protest does not comply, the protest is rejected and the fee is returned to the filer. Rejections may be appealed to the Board of Directors by following the appeal procedures.
 - If the protest complies, the VP of Rules and Regulations will convene a hearing board within 14 days of the receipt of the protest. A 7-day notice must be given as to the date, time, and place of the hearing.
- The burden of substantiation or defense with respect to a protest will rest with the members involved. It is not the responsibility of the VP of Rules and Regulations, PBSL or any of its designees to gather facts or to solicit statements or testimony.
- The protest will conclude, with respect to the PBSL, with the decision of a hearing board. Appeals of such decisions must begin with the FYSA District Commissioner.

F. Appeals. Procedures/requirements are as follows:

- Decisions of the VP of Rules and Regulations or other designee may be appealed to the Board of Directors. Decisions of a hearing board can only be appealed to the FYSA District Commissioner.
- Appeals must be submitted in writing to the President of PBSL within 48 hours of the receipt of the ruling being appealed. A \$25 non-refundable fee must accompany the filing. Copies of all documents relative to the original ruling must also be included.
- The appeal must be signed by one of the following on behalf of the member claiming the rule violations: the Club President, the Club Representative to PBSL, the Club Alternate Representative to PBSL, or the Agent of Record for the Club.
- Upon receipt, the President of PBSL will schedule a hearing of the appeal for the next regularly scheduled PBSL meeting. In any event, appeals will be heard within 30 days of the date of the appeal. All parties to the matter will be sent copies of the relative documents. They will be notified of the date, time and place of the hearing at least 7 days prior to the established date of the hearing.

G. Discipline. Procedures/requirements are as follows:

- Requests for disciplinary action by the league against a member can be initiated either through a written referee report filed by the VP of Rules and Regulations or a written request from a PBSL member to the VP of Rules and Regulations.
- The submission of a written referee report will automatically result in a conference among the VP of Rules and Regulations, the VP of Referees, and the referee filing the report.
- Based on the conference and in accordance with the rules, the VP of Rules and Regulations will issue a decision to the representative of the club involved within 24 hours of the decision. Disciplinary action involving assault requires the VP of Rules and Regulations to hold the player/coach pass for the duration of the suspension. Other suspensions that do not involve assault will result in the player being struck from the roster/Game Card in GotSoccer, indicating the player is not available to play. Decisions of these matters may be appealed to the Board of Directors.
- A written request by a PBSL member will be handled per the procedures established for protest with the following exceptions:
 - No fee is required for requests submitted by the VP of Rules and Regulations or for those submitted by a member involving claims of involuntary transfers.
 - A non-refundable \$50 fee is required for a request submitted by a member for all other situations.
 - Under certain conditions, a rule may be referenced in general terms rather than cited specifically.
- Decisions of a hearing board convened to hear such request cannot be appealed to the PBSL Board of Directors.

Section 10: Coach's Code of Ethics

A. Introduction. General information/tenets regarding the Coach's Code of Ethics are as follows:

- The intent of the coach's code of ethics is to outline the expected behavior of a coach whose team participates in the PBSL. All coaches must sign and will be provided with a copy of this code of ethics.
- PBSL cannot possibly oversee the conduct of every coach. Adherence to the code of ethics must depend upon voluntary cooperation. Participation in the PBSL constitutes acceptance of this code of ethics.

- Some sections of the code include specific minimum penalties. Additional penalties may be invoked for repeated violations. Suspensions may be for one game up to expulsion from the PBSL.
- Violation of any part of the code of ethics will be determined by the VP of Rules and Regulations after an evidential hearing. A coach must be given the opportunity to appear at the hearing and may present evidence in his/her behalf.
- There is a PBSL Board of Directors appeal option for a determination that a coach has violated the code. Length of suspension more than one game can be appealed to the PBSL Board. Written notice of intention to appeal must follow the appeals procedures as outlined in this document. The penalty will be abated pending the appeal.
- The evidential hearing will occur according to the protest procedures as outlined in this document. Any appeal will be heard at the next available Board of Directors meeting.

B. On-The-Field. On-the-field behavior shall adhere to the following:

- No coach will physically abuse a player, spectator, another coach or official. Violation will result in a suspension.
- No coach will use abusive or profane language directed towards a player, spectator, another coach or official. Violation will result in at least a written reprimand and 6 months' probation and/or a 3 game suspension.
- A coach is responsible for the behavior of his/her players and spectators and will maintain order at the field before, during, and after the game.
- No coach will openly or persistently argue with an Official's decision or permit his/her players or spectators to do the same.
- No coach will knowingly permit or intentionally direct an ineligible player to participate in a PBSL game.

C. Off-The-Field. Off-the-field behavior shall adhere to the following:

- No coach will offer money, or other inducement to entice a player to join his/her team. Violation will result in a suspension.
- No coach, either directly or through another person, shall contact a player who is signed with or "bound" to another soccer club or organization without first having consent in writing from the affected club. Violation will result in the coach being suspended from coaching in PBSL for a one-year period.

- If a coach is contacted by a player or his/her parents and that player is signed with another soccer club or organization, the coach should be cognizant of FYSA Poaching rules. There is to be NO improper contact between the prospective team and player/parents of currently registered team and/or rostered players. Any coach or member of a team having contact with a player after a player is registered and/or rostered, without first obtaining written permission from that player's coach, will be construed as having had improper contact with a player, and such action can result in a charge of poaching. (FYSA Rule 401.5)
- Violation of any Code of Ethics item may result in a minimum \$50 fine.

Section 11: Season Scoring and Playoff Rules

- A. A representative from each club or each team shall report the scores for all of their team(s)' games via GotSoccer. Scores must be recorded within GotSoccer by 5:00 PM on the Tuesday following the Saturday or Sunday game. Failure to do so shall result in a \$25 fine for each offense.

- F. Playoff format and positional rounds will be determined by the Board of Directors.

Addendum-FYSA Rule 205 Rostering

205. ROSTERING

- 205.1 All players must be rostered to a team in order to compete in any FYSA sanctioned event. Any player competing in any competition shall be considered immediately rostered to said team. Note: Rostered players may guest play with proper permission in any FYSA sanctioned event, if allowed by the rules of competition, and not affect their original rostered status
- 205.2 An official FYSA roster is the roster generated by the current FYSA registration system. A player is rostered to a team when the rostering process is completed or as defined under FYSA Rule 205.1. All matters of dispute shall be governed by the official state roster. A copy of the official roster is valid for all events requiring a roster.
- 205.3 FYSA sanctioned competitions (league play and tournaments) may adopt rules to allow the use of Club Pass players up to the maximum roster size:
- A. U13 – U19 teams – Total roster size, including club pass players, is capped at twenty-two (22). Teams shall name eighteen (18) eligible players for each game.
 - B. U11 – U12 teams – Total roster size, including club pass players, is capped at sixteen (16).
 - C. Club pass players may only participate with one (1) team per day. (Player may play more than one (1) game per day in the competition with the same team, but not with two different teams in the same day.)
- 205.4 Leagues and tournaments may create internal pass and or event roster forms allowing properly FYSA registered players to participate within their rules of competition without changing the Official FYSA Roster. These event rosters must list the players full name, pass number, rostered team, DOB and birth verification status. Prior to the use of these internal event rosters, for all inter-club games, leagues and tournaments must have on file the team's official FYSA roster with appropriate guest player forms or FYSA Event Rosters, as verification of players' credentials and that guest players have proper permission to participate.
- 205.5 Dual Rostering is permitted and a player may be rostered to multiple teams at one time during a seasonal year. Regulations concerning dual Rostering are as follows:
- A. Player's Cup eligibility is the player's primary team. A player's primary team shall be the first team to which the player is rostered.
 - B. Release from the primary team in no way transfers primary status to the secondary team. To transfer primary status requires a completed transfer. This player will then be considered a previously rostered player if not registered to a team within the same affiliate.
 - C. Primary team schedules will take precedence in all issues or conflicts. If player is registered to two (2) affiliates, all matters regarding registration will be decided by the primary team's affiliate.

205.6 Regional Cup rosters for all competitions leading to the determination of President's Cup participants shall be the official state roster as generated by the FYSA State Office or the Regional Cup Committee.

205.7 State Cup and Regional/Recreational Cup rostering simultaneously is not permitted.
